This edition published by the Armchair Co-operative.
All rights and wrongs reserved. Copyright (C) MMII Mark Abbott.

Best printed on a printer near you. No aspect of the quiz relies on
a colour version being available. Printed copies are available on request.

This book is issued subject to the following terms and conditions. Lending, copying, re-printing,
or recirculating it to family, friends, colleagues etc is positively encouraged. The resemblance of
any characters in this book to real persons either living or dead is not necessarily unintentional.
If a letter is to be taken to find an address, the surname should be used initially. A small red box
somewhere in the South East of England should be visited, after which a posting may be made.
A reward has also been posted for information leading to the successful conviction of the
notorious Armchair Murderer. Points will be liberally awarded for correctly answered questions,
solved puzzles, identified pictures, or any other supporting evidence. Prizes are available
for the best solutions. Those entering for the first time should mark their entries 'ATH Virgin'. Only
teams with Logica captains are eligible for prizes, but anyone else is welcome to submit an entry.
